To whom it may concern:

I am writing on behalf of my patient Mr. Daniel Delmar to inform that he is undergoing treatment for his diagnosis of metastatic/recurrent rectal cancer. Therefore, the state of health of Mr. Delmar is such that he might not be available to assist in the prosecution of the patent application if it were to run its normal course. Thank you for your attention to this matter. Please do not hesitate to contact me should you have any further question or concerns.

Sincerely,

David Burtzo, M.D.
